Dear Motor Carrier:

The following USDOT identification number has been assigned to your company:

USDOT 941935

The USDOT number needs to be marked on your commercial motor vehicles as required by Section 390.21 of the Federal Motor Carrier Safety Regulations (FMCSR). A copy of this regulation is enclosed. All commercial motor vehicles operated in interstate or foreign commerce must be marked with a USDOT number. Those vehicles marked with an ICC MC number as of July 3, 2000, must display a USDOT number by July 3, 2002. The marking requirements assure submission of accurate data to our agency by enforcement personnel and assist the general public in identifying a particular commercial motor vehicle.

For-hire motor carriers requiring operating authority may obtain an application by calling (202) 358-7000 or by accessing the following internet website:

<http://diy.dot.gov>

Regulatory information may be obtained from the Federal Motor Carrier Safety Administration website:

<http://www.fmcsa.dot.gov>

If you receive more than one of these letters referencing different USDOT numbers, please contact the office shown below to determine which number is most appropriate. This office can also be contacted for any questions you may have about regulatory compliance:
